WE RECOLLECT THE UNIVERSAL MESSAGE OF SWAMI VIVEKANANDA

We want that education by which character is formed, strength of mind is increased, the intellect is expanded and by which one can stand on his own feet.

We need technical education and all else which may develop industries so that men, instead of seeking for service, may earn enough to provide for themselves and save something against a rainy day.

What we want are Western Science coupled with Vedanta, Brahmacharya as the guiding motto, and also shraddha (श्रद्धा) and faith in one's own self.

It is man-making religion that we want. It is man-making theories that we want. It is man-making education all-round that we want.

DEFINATION OF EDUCATION

Education is the manifestation of perfection already in man.

INTRODUCTION

The Ramakrishna Mission Shishu Vidyamandir, Lumdung, Seppa – 790102, East Kameng, Arunachal Pradesh is an introductory step of the advent of Ramakrishna Mission in the Western half of Arunachal Pradesh. As per the request of the Govt. of Arunachal Pradesh, Ramakrishna Mission has agreed to establish a Secondary School on the hilltop at Lumdung. The construction work has started to some extent and the project is stipulated to be completed by 2021. The great historian and Nobel Laureate Sir Arnold Toynbee had said: “The modern world had an western beginning but if it is to survive it must have an eastern end, with special emphasis on Ramakrishna Vivekananda ideology”. In fact the outstanding definition of Education that Swami Vivekananda offered to the world is the Watchword of our Educational Institutions and this Primary School is no exception to that.

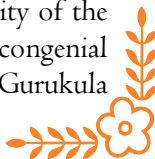

HISTORICAL BACKGROUND

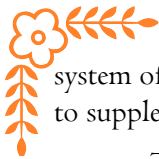

In the end of June, 2017 the Nanghee Natung Mowa Tocha Welfare Society of Lumdung village, Arunachal Pradesh donated a piece of land to Ramakrishna Mission with an expectation that a Residential Secondary School should start at this place, so as to fulfil a long standing demand of the people of Arunachal Pradesh.

On 30th March, 2018 there was a meeting at Lumdung Govt Secondary School to discuss about the commencement of a Primary School for the time being. The Govt. School Management was kind enough to provide some space to start up a Primary School on temporary basis to be run by the Ramakrishna Mission. Shri Mama Natung, Sri Shishu Natung, Shri Hari Natung, Dr. Tanie Natung along with the District Administration had agreed wholeheartedly to support the noble project if taken up the Mission. It was decided that the Classes for Grade I and Grade II would start in the month of September 2018.

OBJECTIVE

Education, in order to be effective and fruitful, must be ‘Man-making’: that is, it must bring about total and integrated development of personality of the students. This can be achieved only when the student is brought up in a congenial atmosphere. In this context Swami Vivekananda had prescribed the Gurukula

system of education. The Shishu Vidyamandir is a prelude to adopting this system to supplement the modern conditions of life.

The institution aims at helping the students not only to receive the stipulated academic education, but also to become active, self-reliant and to build up their own characters in keeping with the National Ideals of renunciation and service of our country.
