CONTD...

It was fascinating to see the high expectation of the people of East Kameng Dist. to collect the Admission Form for Class one and Class Two. Distribution of form would start for the current year at the existing Govt. Secondary School at Lumdung since June 01, 2018. If we look back, there was a meeting on 30th March 2018 arranged at the Govt. Secondary School premises at lumdung attended by most of the Heads of Govt. Departments (Executive Engineers) and the Depty Director of Secondary Education, Seppa along with Ex Minister and Gram Buras to consider the proposal of the Mission to start a Primary

School in the premises of the current Govt. Secondary School. All the villagers spontaneously agreed to our proposal with admiration and welcomed Ramakrishna Mission to their place. Swamis Visweshananda, Mukundananda and Naravirananda were also present to witness the villagers' appreciation to avail good education. Hon'ble MLA Sri Mama Natung, though could not attend the meeting, assured the undersigned to give all kinds of support, financial and otherwise, in order to initiate the Primary School at Lumdung. Pending the NOC from the Head Master of the said school, the DDSE wholeheartedly

agreed to give his permission to the Mission to use the premises. The undersigned informed in the meeting that the school buildings are not in usable condition. They need thorough repair before the classes starts. It was decided that Forms be given from 1st June while classes to start in Sept'18

First Admission Form is being issued to a Guardian on June 01, 2018

Meeting with HOD's and Villagers at Lumdung on March 30, 2018

making Statues of the Holy Trinity and this time also sculptor Bandeb Ram's contribution will be remembered by a lot of people for a long time.

Admission Test was held on June 23rd 2018

On the very first day 300 forms were sold @ Rs.20.00 for Classes 1 and 2 with admission capacity for 35 students in each class. And, in 10 days it went up to about 960 for 70 student all together ! That also for 'non residential' primary school. And then conducting the Admission Test on 23rd June, 2018 was a big challenge for us due to man-power shortage as well as such event for the first of its kind in Seppa. We are really thankful to one and all for every cooperation from the District Administration who extended all help to us. The small hill town experienced a big traffic jam on 23rd June faced incidentally by Hon'ble Home Minister and the Chief Secretary, GoAP who came to Seppa for official visit. Next day in a meeting the Chief Secretary had a proposal to hand over the entire Secondary School infra- structure to Ramakrishna Mission for the use of Primary School whereas the existing students would be absorbed by the Mission as far as practicable and the teachers may work for the Mission on deputation but maintained by the State Govt. This is yet to have a concrete shape. By way of conversation Hon'ble Chief Minister Shri Pema Khandu also mentioned to Secretary, RKM the same idea to hand over the secondary school to the Mission. However that would be evidently through a longer route. However the Result of the Admission Test was published on July 01, 2018 and Admission process to be closed on 8th July, 2018. Classes will start proposedly on 11th September, 2018. By that time the Renovation work for the portion of the Secondary School should have to be completed and Swamiji's Statue to be installed in the said premises. Ramakrishna Mission Vidyapith Deoghar had already started a noble venture of

Children appearing at the Admission Test for Classes 1 & 2

We are the makers of our own fate. None else has the blame, none has the praise.

--- Swami Vivekananda

Thanks to Shri Prasenjit and Rajesh of Naharlagun who are working relentlessly hand in hand with Swami Mukundanandaji for the renovation of the School Building at the premises of the Govt. Secondary School. Carpenters have come from Medinipur, Masons have come from Coochbehar, Plumber from Assam and so on with the untiring Mukundananda ! We expressed our gratitude to Hon'ble Chief Minister and Shri Mama Natung, MLA, for providing us the necessary fund for this renovation work. In the mean time the arrival of the new **FORCE TRAX SCHOOL VAN** on 11th June, 2018 was indeed symbolic of commencement of a new school by Ramakrishna Mission, Lumdung.

Shri Hari Natung, Ex Minister, when met the undersigned, said, 'now you have become one of our family member at Lumdung.' It should be true. The missionary zeal which Swami Vivekananda wanted his soldiers to possess must include practising oneness with the local culture and socio religious well being of people while spreading the message of "man making and character building" that emanated from Swami Vivekananda.

Respected Chief Secretary visited Lumdung IB on 24th June, 2018 and was happy to have the company of the monks of the Mission during lunch arranged by Hon'ble MLA Shri Mama Natung
